#### Our Interest Rates

Please refer to the Product Special Conditions and the Savings General Terms & Conditions for full product details.

▪ All returns will be paid gross without tax taken off.

▪ We can deduct any tax from the rate of interest where we're allowed to do so by law.

▪ If you are responsible for tax in a country other than the UK or in addition to any UK tax responsibility you may have, we may provide details of your Account to the tax authorities of these other countries if we're required to do so by law.

▪ Please refer to the [www.gov.uk](http://www.gov.uk) website and search for Personal Savings Allowance for details on the different tax thresholds and what action may be required by yourself.

▪ If you make your investment by cheque it will earn interest from the second business day after receipt. When an investment is made in cash or bank transfer or from another account with the Society (cleared funds) or an Automated Payment, interest is paid from the day of receipt until the day prior to withdrawal. (Business days exclude Saturdays, Sundays and Bank Holidays).

▪ 'Gross' means the contractual rate of interest.

▪ 'AER' stands for the Annual Equivalent Rate, a notional rate which illustrates what the contractual interest rate would be if paid and compounded on an annual basis
